We will also be having a "PUTT OFF" at the clubhouse putting green for each player wishing to donate \$5.00 to the scholarship fund. Each participant will have 2 chances to get the ball closest to the hole, if not "in the hole". The closest participant will split the pot.

The ultimate purpose for this event is to generate money for our Chapter's scholarship fund. This is something that is very important to our Chapter in getting students involved in the construction industry and CSI.
