

2017 APRIL Chapter Meeting

*Pecha Kucha Night*TM

Whoa...pecha...kucha...what is that and how do I pronounce it? Well, come to the April meeting for a reminder. But, to help you sooner here's some background information and details so that you can invite a friend.

Pecha kucha is a Japanese word that means "chit chat." Pecha Kucha Night was devised by a pair of architects so designers could meet, show their work, exchange ideas, and network.

Pecha Kucha Night events consist of multiple presentations, with each presenter having 20 slides and 20 seconds per slide. Thus, each presenter has just 6 minutes and 40 seconds to explain their ideas. The pecha kucha format keeps presentations highly visual, concise, and fast-paced.

Our own **CSI Chapter Member Presenters** for the night are listed below.

Come expecting a FUN and INFORMATIVE night.
